## Golf Awards & Prizes

A good friend to many in his native New Jersey shore town, Bob Doherty's life is celebrated in **The Bob Doherty Memorial Golf Tournament** which marks it's 10th anniversary this year. Since it's inception in 1996, the Tournament has reflected Bob's generous spirit by helping numerous college bound seniors in his hometown of Wildwood, New Jersey, achieve their educational goals. The donations raised have enabled many students to attend institutions that might have otherwise been financially out of reach.

Bob was an avid sportsman who enjoyed fishing and golfing, so it is most appropriate that his legacy is realized through his favorite sport—golf. Those who had the good fortune to know Bob personally would agree that the annual Bob Doherty Memorial Golf Tournament is just the kind of event that he would want people to remember him by. Great golf, good food, gigantic door prizes and genuine friends!

Bob's roots run deep in the heart of Wildwood; as a graduate of Wildwood High School and as the proprietor of the County Roost Tavern for over 12 years. His education in life continued as he studied Finance and earned a Bachelor of Business Administration degree from the University of Miami. He utilized his business acumen quite successfully in real estate development and as the operator of a Sony dealership. Many New Jersey

shore residents count themselves lucky to have experienced his wit and wisdom, his kindness and desire to share his good fortune. Bob's sudden passing on December 6, 1995 from a heart attack saddened countless numbers of friends and acquaintances. Through this annual event, they continue to remember Bob for his friendship and good-natured disposition.

It is fitting that the high schools in Wildwood benefit from the proceeds of the Golf Tournament, because despite his many travels, Bob was a hometown guy. He would be happy to know that people who enjoy a day of golf and the company of friends as he did, are playing in this tournament and that local students are getting help with their educations. Bob would surely be proud of the fact that over the past ten years, his mother Caroline Doherty has donated well over \$300,000 toward college scholarships and improvements to both Wildwood and Wildwood Catholic High Schools. Bob's grandmother, Caroline Hunter, who passed away in 1999, continues to provide scholarships to local high school students through a generous endowment. Keeping with this family tradition, Mrs. Doherty has committed to continued support of the Wildwood community throughout her lifetime—and beyond, because she loves her community & knows this was the will of both her mother, Caroline Hunter & her beloved son, Bob.

All Awards and prizes will be presented after dinner.
